Volunteers Needed!

Thank you for your interest in volunteering. Your help is vital in making our conference a success! We hope to be able to secure your time for 6:30 am - 4:15 pm on March 28, 2020, but understand there may be conflicts. Please look at the jobs below. If you are unable to help all day, please consider the volunteer needs for specific times of day as listed. .

Those volunteering all day or during 10:30-2:30 shift will receive a free meal.

There are various tasks that we need volunteers for! This includes:

Registration: This is a fun and exciting time at the conference. When the doors open, 400+ people pour in. Volunteers help in a variety of ways during this time checking people in, handing out bags and badges to participants, directing people, or working the walk-in table.

Navigators: Getting hundreds of people to the right place at the right time is a job that requires more than a few signs. We have found that having a friendly person standing by for help is the best way to make sure everyone ends up where they need to be. It is those that volunteer to be “navigators” that have the most contact with all of the participants.

Lunch Servers: When lunch time comes around, the attendees are ready to eat! This is the time where the most number of volunteers are needed and are used!

Pop Sales: Yum... make sure refreshments are sold to our thirsty crowd!

Runner: Need to log-in some steps on your pedometer? Runners help get our VIP's including presenters, exhibitors and other volunteers to where they need to go!

Activities: Help attendees complete some fun activities at different stations around the conference.

Tear Down: Help clean-up around the venue, fold tables and chairs, and help move exhibitors and conference items to vehicles.
